Whom would you like to appoint as your agent for financial affairs?

First Agent:

Name: _____

Relationship: _____

Address: _____

Home Tel: _____

Alternate Agent:

Name: _____

Relationship: _____

Address: _____

The Durable Power of Attorney shall become effective:

- Immediately upon execution
- When the principal's primary physician determines that the principal is unable to make health care decisions.

Do you want your agent to have the power to maintain your pets?

Do you want your agent to have the power to pay for your burial or cremation of remains?

Do you want to authorize your agent to make gifts of your property?

Please note the following:

**your power of attorney will be a general financial power of attorney. Your agent will have power over a wide range of areas dealing with your financial situation, securities, retirement plans, and governmental benefits. You can limit the powers if that is your desire.

**you can limit its effect so that your agent only has management control over specifically described property, such as a specific parcel of real estate.

** you can set an expiration date for your power of attorney.

**you can limit or waive compensation for your agent. Otherwise your agent will be entitled to reasonable compensation for his or her services plus reimbursement of costs advanced.

Let us know if any of these may apply in your situation.
